The quality points are not completed because I didn't have all the sheets. This is the last mailing for the season. Watch the web site for updates and playoff information and matches. I will be in the process of moving equipment to the new location which will be on the Fall Registration and all other forms after today. The phone numbers will stay the same, but may be out of order a few days while transferring, the same with the email. Thanks again for your support during my term of office. Margie
