Attention Captains: Due to the phone plan the club has, I can no longer accept photos of the scoresheets in a text message. Please only email a photo to acdarts@yahoo.com. If you are not able to send picture, ask your team members or the other team if one of them can. If you have a sub, take a picture of the form and send it also. You will have to mail the form and money to the P.O. Box.

There is no reason I shouldn't have ALL sheets in email by Wed. Then I could send the sheet by Fri. I'm spending too much time running to the PO and calling captains. This will stop and penalties will be implented starting Week 3.
